Concerne : Advance Payment to OGEFREM

Dear Sirs,

The DRC Government, in order to reinforce the control and traceability of imports to the country, according to the Inter-ministerial Decree dated 22nd January 2019, requires all goods or merchandises being exported to the DRC from or transiting by the Republic of Uganda to be covered by the following two documents: **the Electronic Data Sheet on Import (FERI)** for all maritime cargo or **the Certificate of Destination (CD)** for freights by road.

The following companies have been solely mandated by the DRC Government to issue the above-mentioned documents: Transcom Services (Pty) and Invesco Ltd, K-Polygone, Bolloré Logistics, as well as the OGEFREM Representative Offices in Mombasa and Dar-es-Salaam.

However, please be advised that Transcom Services (Pty) Ltd is the Ogefrem Principle appointed Agent who together with their subsequently appointed Ugandan Sub-Agent Invesco Ltd are the solely appointed Ogefrem DRC Agents authorised by Ogefrem to co-operate with the Ugandan Revenue Authority on behalf of Ogefrem for the purpose of enforcement of Ogefrem Certifications whose duties include the verification of all surface and airfreight Ogefrem Certifications issued by Ogefrem appointed Agents and Ogefrem Offices pertaining to exports destined for DRC transiting and/or originating in Uganda.

Yours truly,

Justin KAMWANYA KALEMUNA Lem's

Acting Chief Executive Officer
